

PRAY FOR AMERICA

JUNE 5—JULY 4

30 days to unite in prayer with believers across the nation!

**A personal word from
Assemblies of God U.S. Missions Executive Director
Malcolm Burleigh**

Dear Friend,

Please join me in an important and timely opportunity to intercede for the future of the U.S. — 30 days of prayer from June 5th to July 4th, 2022.

After two years of pandemic fears, isolation, and a staggering death toll, the Church must continue to stand, answering ongoing crises with sincere prayer.

Inside you will find a prayer for each day, addressing important issues such as family, faith, racial division, the lostness and hopelessness of many, and more.

As Assemblies of God churches unite in prayer each day, I believe God will hear from heaven and heal our land.

Thank you for joining your heart with mine, and with thousands of other believers across the U.S.A.

Malcolm

30 DAYS TO PRAY FOR AMERICA

JUNE 5—JULY 4, 2022

SUNDAY, JUNE 5

Pray for a great move of God. An estimated 6% of Americans have a truly biblical worldview. Many Christians don't know how to carefully look at life through a biblical lens.

MONDAY, JUNE 6

Pray for spiritual awakening. In the United States, 41% of the population believes the Bible, the Koran, and the Book of Mormon all express the same divine truths.

TUESDAY, JUNE 7

Pray for spiritual clarity. Among Americans who claim to embrace a biblical worldview, many also believe reincarnation is possible — and that Jesus is not the only way to salvation.

WEDNESDAY, JUNE 8

Pray for America's millennials (ages 24-40). Although a majority identify as Christians, only 2% hold a biblical worldview.

THURSDAY, JUNE 9

Pray for America's Gen Z (ages 9-24). Among American teenagers, 40% claim no religious affiliation.

FRIDAY, JUNE 10

Pray for healing from emotional and mental distress. Recent statistics show steeply rising levels of depression, anxiety, and other very serious problems.

SATURDAY, JUNE 11

Pray for stability among young Americans. Emergency room visits for mental health crises among 12- to 17-year-olds increased 31% during the pandemic. May Jesus — the Author of life — protect that which the enemy is seeking to destroy.

SUNDAY, JUNE 12

Pray for an increase of courage and peace rooted in Jesus. "My flesh and my heart may fail, but God is the strength of my heart and my portion forever" (Psalm 73:26, NIV).

MONDAY, JUNE 13

Pray for hope. As the pandemic and related difficulties continue, many are hopeless, searching, and in need of the anchoring love of Jesus.

TUESDAY, JUNE 14

Pray for victory over life-controlling addictions. Over the course of the past few years, overdose cases have dramatically increased.

WEDNESDAY, JUNE 15

Pray for leaders and those in authority — that they will know Christ and make decisions based on His leading.

THURSDAY, JUNE 16

Pray for unity. A survey of people in 17 nations found Americans the most likely to report their country was split along partisan and racial lines.

FRIDAY, JUNE 17

Pray for the marginalized, for whom Jesus cares deeply. The pandemic brought to light many racial and economic disparities. May the Holy Spirit help the Church lead the way in grace-filled reconciliation.

SATURDAY, JUNE 18

Pray for the imprisoned, of which each one is in urgent need of Jesus. Currently, two million people are incarcerated in the U.S.

SUNDAY, JUNE 19

Pray for pastors, missionaries, and other church leaders, staff, workers, and volunteers. May they be sustained as they help unite and restore communities.

MONDAY, JUNE 20

Pray for repentance. Injustice, idolatry, and divisiveness do not honor God. Pray for repentance and a turning from sinful ways.

TUESDAY, JUNE 21

Pray for healing. Wounds caused by broken and sinful behavior can be healed through the Holy Spirit's intervention.

WEDNESDAY, JUNE 22

Pray for churches. The local church is the backbone of healthy community and provides a place for prayer and action.

THURSDAY, JUNE 23

Pray for urban centers. About 83% of Americans live in urban areas. The cities of the nation are a vast mission field.

FRIDAY, JUNE 24

Pray for rural communities. Healthy, growing churches are as needed in rural communities as in urban centers.

SATURDAY, JUNE 25

Pray for American families. The traditional family — father, mother and children — is under attack.

SUNDAY, JUNE 26

Pray for women in America. Amid many challenges and in many different situations, may each woman find restoration, courage and strength in Jesus.

MONDAY, JUNE 27

Pray for men in America. May each man be convicted to live every facet of life in ways honoring to Christ and others.

TUESDAY, JUNE 28

Pray for children in America. Children have suffered with family stresses during the pandemic as well as social isolation and educational disruptions. Pray for each child to be protected, and to come to know Jesus while they are young.

WEDNESDAY, JUNE 29

Pray for students. Our nation's campuses are very strategic mission fields. Pray for students who will faithfully live biblical truths and boldly share the love of Christ.

THURSDAY, JUNE 30

Pray for intercultural relationships and outreach. Our nation is called home by many diverse people groups who speak hundreds of languages.

FRIDAY, JULY 1

Pray for righteousness of thought and action on a national scale. "Righteousness exalts a nation, but sin is a reproach to any people" (Proverbs 14:34, ESV).

SATURDAY, JULY 2

Pray that the United States will be strong in global leadership and move other nations toward righteousness. "Blessed is the nation whose God is the LORD" (Psalm 33:12, NIV).

SUNDAY, JULY 3

Pray for the U.S. to acknowledge God. We cannot hope to be blessed as a people without honoring God.

MONDAY, JULY 4

Pray for God to bless America — and for the protection of religious freedom in boldly proclaiming the gospel! As "one nation under God," we need the Lord's guidance and blessing today as never before.
