KINGDOM
BUILDERS

2024
Vol. 2

WHAT IS KINGDOM BUILDERS?

Kingdom Builders is one of the ways that we “love people to life” at FLFC. We understand that every person must hear the gospel and we have a missional responsibility to do something about it. When we give generously as a church family, it enables us to partner with ministries and projects around the world that are advancing the Kingdom of God. This maximizes our impact.

Through Kingdom Builders we partner with three categories of ministry; Local Partnerships, Global Missions, and Growth Initiatives. Together, through our generosity, we can make a great difference in the world. We hope you will join us.

So all may hear.

From our Lead Pastors Jeremy & Naomi Vines

REACHING THE MAGIC VALLEY.

Going into all the world.
Loving people to life. This is our call. Kingdom Builders is our way of bringing the Good News of the gospel to our neighborhoods and to all nations through a faithful community passionate about generosity. The Bible shows us that Jesus gave all He had to reach the lost—and that there is no greater love than this. We want all nations and all people to be reached with the gospel so that the Kingdom of God is built all around the world. This year, as we take ground for the Kingdom, our goal is to raise \$130,000 for Kingdom Builders, so that His name is known throughout the Magic Valley and around the world.

Kingdom Builders invests in missionaries, ministries, organizations and projects across the world that are doing strategic work with those who need it most. They are reaching the lost, serving the poor, changing the world and building the Kingdom of God. As Kingdom Builders, we believe that we are blessed to be a blessing and we give so that ALL may hear! We have never been more proud of our church family. Each year, by God's grace, we rise to a deeper level of generosity. We are filled with excitement for what this year will bring as we seek to see Jesus known and His Kingdom expand on the earth. Join us as we build the Kingdom of God, together!

GLOBAL

PROJECT
RESCUE

Over 4 million people are being held in bondage globally...trapped in the horrors of sexual exploitation. Project Rescue is on a mission to change that, and we are going to help them. Life changing rescue for sexually exploited women is not a momentary or part-time enterprise. Yes, miracles can happen. But genuine freedom with hope for a different future and dignity requires an intensive long-term commitment. Project Rescue's multinational network of partners are committed to seeing HOPE restored in the lives of survivors of sexual exploitation.

Through Kingdom Builders, we support key missions projects such as providing vehicles and humanitarian aid, global church planting, resources, and pastoral development. Everyone, in every nation, deserves a chance to hear the Gospel.

God has called the Strongs to some of the most remote places on earth which are filled with many unreached people groups. They have served on the island of Pemba in Africa, and the Himalayas in Nepal. They now feel God leading them to the neighboring country in the Himalayas, Bhutan. Bhutan is one of the most remote places on earth and is nearly completely untouched from outside influence. This nation is still ruled by a king and prides themselves on their deep faith in Buddhism and mastery of dark spirits that torment the valleys. This very lost region of the world is what the Assemblies of God call a Live Dead region. Live Dead missionaries target unreached people groups and are committed to planting the church where it does not exist. The Strongs hearts' cry is to see those living in darkness, with no hope, discover the Light of Jesus. Please pray for the Strongs as they journey to fulfill God's Will. "The harvest is plentiful, but the laborers are few." Luke 10:2
